

# October 2019 Activities

[emmanuelphinneyridge.org](http://emmanuelphinneyridge.org)

Emmanuel is a small, family-like church community that has called Phinney Ridge home since 1930. Our congregation spans the generations from young children to elders in their tenth decade, and we gather each week to support one another in community; to worship God through song, teaching from scripture, and friendship; and to dream about how we might live into our highest purpose...to be signs of Christ's peace, love, and healing in this world. We believe this happens best by embracing the diversity and gifts of each person in the family and working together to enact a vision of justice, community, and wholeness for all. Each month we host a variety of events and gatherings to build new friendships and community, and **we invite you to join us!**
