

DOING THE WORK OF PEACE BEYOND A TWEET

*Come to hear stories of hope, enjoy some good food, art, conversation and be inspired
With Pastor Andy Larsen*

Andy's work in peacemaking between Christians and Muslims and in the Palestinian-Israeli conflict has been featured on local television and radio. He's witnessed some of the most challenging conflicts in today's world, yet also has found tremendous hope both here and in the Middle East. He still believes peace is possible when, and if, we develop genuine friendships with our "other." Andy draws you closer with his photography and stories, an invitation to discover the hidden treasure in friendship that bridges our natural human and political divides.
