

How Would You Use \$10,000 to Bless the Neighborhood?

If you've been at church recently, you know that this year we've allocated \$10,000 toward an open "missional budget" –this money is available for small groups of Emmanuelites to access for the blessing of our neighbors and our city through new programs or one-time projects.

Has the Spirit put a particular ministry on your heart, and are you personally willing to invest the blood, sweat, and tears to make it happen? We're asking you to listen to God's voice, talk to your sisters and brothers in the church to put together a team, and then propose how you would like to use part of this money for the healing and wholeness of those outside our walls. The approval process is designed to be simple and reduce the barriers to starting your work on behalf of the neighborhood.

All proposals should be in harmony with the kingdom values we've been discerning together as a community:

- * racial justice & reconciliation
- * life & health for all of God's children
- * special emphasis on care for the poor & marginalized
- * consistency with the life & teachings of Jesus

Contact bob@emmanuelphinneyridge.org to discuss your ideas, and begin assembling your ministry team!

(For accountability purposes, proposals will be discussed first with the pastor to determine mission fit, then budget requests will be submitted to the Finance Team and the Leadership Team.)
